

Aspley East State School

Year 1 Curriculum Overview - Term 1, 2025

English

Students will read, view, and explore imaginative texts, including simple decodable texts that support their phonic development. They will discuss how language and visual features help describe and develop characters and explore the structure of narratives. Students will share their thoughts on stories, giving reasons for their likes, dislikes and preferences. They will engage in shared and independent writing activities in response to texts and participate in discussions. Additionally, they will develop their speaking skills through short oral presentations.

Mathematics

Students will use physical and digital materials to explore numbers, recognising patterns and working with numbers beyond two digits. They will identify patterns in their environment and choose ways to communicate their thinking. Students will explore simple transformations, follow pathways and give directions to move people and objects. They will also conduct simple surveys, collect and sort data, and represent their findings using objects, images, lists and symbols, comparing data to identify patterns and draw conclusions.

Science

Students make links between external features of living things and the environments in which they live. They consider how the needs of living things are met in a variety of habitats.

Humanities and Social Sciences

During HASS lessons, students will:

- develop an understanding of how their daily life has changed over time
- explore the terms past, present and future
- represent personal milestones on a timeline

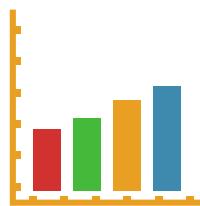

The Arts

During Visual Art lessons, students will create a variety of pictures using different mediums. They will also sketch and paint four faces depicting The Zones of Regulation.

Digital Technologies

During this semester unit, students will collect and display data with meaning. They will learn how to represent simple data in different ways.

Calendar and Events

- Parent Information Night – Mon 10/2 6:00 – 6:30pm
- Art Incursion – Thurs 6/3, 13/3 & 20/3
- P&C Movie Night – Sat 8/3
- NRL Gala Day – Tues 11/3
- Harmony Day – Fri 21/3
- Parent Teacher Interviews – Mon 31/3
- Cross Country – Tues 1/4
- Easter Bonnet Parade – Fri 4/4

Health and Physical Education

In Physical Education, students will participate in balance/locomotor mini games. They will also participate in skill development for cross-country. In Health, students will learn who they are and what are their likes, interests and features. They will learn to sequence stages of life.

Home Learning

Students are encouraged to:

- read for 15 minutes daily (Sunshine Online/library book)
- engage in online subscriptions such as Sunshine Online and Reading Eggs and Mathseeds.
